Investigation lies in their success. Television Discussed
Howard C. Lawrence, ’36, in his ar- able to secure their place in the important work at the Institute and his lectures on the subject Lawrence has qualified himself to write an interesting article.

The German Physics Tour Plans
Mr. Johann A. Burch has submitted a lecture he has given a number of times about the German Physics Tour Plans. Interesting problems met and overcome in the technical fields by the Germans, their independence, such as those encountered in the automobile industry, prove enlightening.

The article on Weather Forecasting by Mr. B. II. Willey, recently published, will be of the forecast in the business world of today.

I. F. C. Week-End

the balance of the salt.

Greek Cocktails Announced

Proceeding the main dance at the HotelSorbern, will be a cocktail party arranged by the members of the Parker House from 8:30 to 9:30 p.m.

On Open House afternoon, I. F. C. activities will continue with a Tea at which Gordon Pope, ’39, will read a paper on "Electricity in the Home."

Few Tickets Still Left

The arrangements for the week-end are as follows: Price for the main dinner is $4.95, at which time the Teale will be served. Price for the dance will be $3.75, with those who are interested are cordially invited to attend. The place for the meeting will be announced in the next issue of the Tech.

A second meeting will be held at 3 o’clock the same afternoon to lay plans for the founding of a permanent peace organization. Sixteen or- ganizations have already shown interest in this project, and each will send two representatives. Any other organizations which are interested or any individuals who are interested are cordially invited to attend. The place for the meeting will be announced in next week's issue of the Tech.

Amendment

All undergraduate organizations are required to amend their constitutions to include the following:

(a) Duties of the President:

"The President, within the first month of his active term of office, shall review the approval of the By-laws, and the rules, and shall take effect until approval has been granted."

(b) Duties of the Treasurer:

"The Treasurer shall submit the Budget Committee such financial reports as the Financial Committee of the organization, and shall report to the President, the Secretary and the Institute Committee about the time such election or appointment becomes effective."
