The Tech Announces Quakers
For Religion Poll Tomorrow

The following questions will
be asked of freshmen and sophomores
when, they have been in the Tech
holds its regular meetings, and
will be available in the mail
by Friday. In the editorial
columns the answers will be
presented by prominent
students who have been
raised by the poll.
Professor Robert H.
Stead, both of the Mathematics
Department, wrote on "Premarriage
" and "Materialism"
respectively, last week. Today
the English Department
students will have a

25,000 Prett At
Annual Open House

President Compton, on Radio
Invites Expansion To
See Exhibits

To announce Open House to
the public, a broadcast, a
featuring a talk by Dr. William H.
Compton, president of the Institute
in 1919-20, will be held over WBZ on April 28.
Hours of the program, ex-
clusive book是非s: as scheduled
the previous day between 11:00 and 11:15 P.M.
Missed several school
students, including a short
and a short discussion of the op-
ening, as well as a presentation of the
of the Public Com-
Juries Committee

24,000 Attended Open House

The number of people present,
though marred somewhat by threatening weather,
to reach a total of 25,000.
The visitors were distributed in the
atmosphere, however, with a large portion of the
in the near future.

Elias Compton Died
In Ohio Yesterday

Father of President Compton
Died at 91 in Cleveland

Dr. Elias Compton, father of Karl T.
Compton, president of the Institute,
died May 2, at the age of 91, in
Cleveland, Ohio. He was born in
Philadelphia, Pa. in 1856.

Dr. Compton, who was Professor Emeritus
in the Colleage of Library and
Science at the National
Library of Science in Wash-
ington, D.C., was a
in surveying school in
Weston, Ohio. He received
his education at the National
University of Science and
was a degree of Bachelor of
Arts at the College of Wooster in
1878. He also received his A. M. and
P.D. from the same school in
subsequent years.

In Wooster College, he held the
