record, took that event. Brown's chief
strength lay in the mile, hammer
throw and discus.
Frosh Also Unbeaten
The froshmen record is also un-
beaten this year, Mass. Brown, Mil-
ton Academy, and the Spring Inter-
class Meet having been won by them
with large scores. In the last meet of
the season they will meet the strong
Tufts Frosh on Tech Field to-
morrow. A Tech victory in that means
a perfect record for both Varsity and
freshmen.
Next Year Looks Good
Despite losses by graduation, Coach
Oscar Hedlund should have plenty of
good material out when the Fall term
opens, and chances for an equally suc-
cessful year in 1938-39 are high.
