Frosh Track

(Continued from page 3)
The high jump turned out to be a four-way tie among Nagle, Seaford, and two Tech men at 5 ft. 6 in.

Led by Bostock and Nagle, the frosh swept the javelin and discus throws. McKee, placing second in both events, broke the broad jump at 20 ft. 6 in.

Victory Ends String Season

This victory winds up an undefeated season for the freshmen, and Insti-
 tus who carry on a tradition of excellence in the field of human achievement.

THE TECH
Saturday. The freshman team has beaten having ended the year without a loss tute track season for the freshmen, and Insti-

cut for expensive tobaccos. Most smokers in Camels. That's one mighty

"I'm a tobacco planter," says Fermin H. Rieger, who has grown tobacco for 25 years. "The Camels I smoke pay a slight price for our last tobacco. Living costs they're my final expenses."

I smoke Camels-I know there's no substitute for expensive tobacco. Most players favor Camels.

Leading growers tell their preference in cigarettes— it's Camel!

"We smoke Camels because we know tobacco,"

tobacco planters say

Camels are a matchless blend of finer, MORE IMPRESSIVE TOBACCOS— Turkish and Domestic

room. Purchased are open to all. The boat chartered is the largest in the harbor, according to Leo A. Kelley, '89, president of the committee's organization. Although the time for sailing has been set for 8:30 on, June 1 was picked as the date for this event because it comes immediately after exams and will furnish an excellent relief from the strain of that period, according to the committee in charge of arrangements. Ralph L. Hargreaves, '39, is chairman of the dance committee.
