MERRY CHRISTMAS

HAPPY NEW YEAR

In this last issue before Christmas and the beginning of winter, we feel it is appropriate to wish all of our readers a most enjoyable vacation. There are a great many superlatives that could be used to express the magnitude of this enjoyment, but we feel that if you have as much fun as we plan to have in our vacation, that should be sufficient.

ROOM FOR MUSIC IN WALKER

Recent action on the part of the Walker Memorial Committee in providing a place for the victrola and the huge record library that is available to all students can not be too highly praised. But in the interest of music and the development of good taste, a much smaller group of enthusiasts than those interested in the library is needed to take the responsibility for the use of the victrola. If the library is to be of real value, it should serve as a nucleus for the development of real music appreciation.

CREDIT FOR ABILITY OR FOR MEMORY

Every student at the Institute has, doubtless, at some time or other in his career here four or more occasions to gripe about the marking system used. Many of these gripes are, of course, mere sour grapes and bad marking system as used here or at any other college is not a social one with unavoidable political complications. It is not an Anti-Nazi Organization! It is an organization in which the spirit of the record library.
