C. Vernon Lippitt Selected With Three Others For Honor

S2000 ANNUAL STIPEND

Vernon Lippitt, of 628 North Hinton Street, is attending the Institute first as two candidates from each $2000 Annual Stipend at one of the colleges in Old Clothes Will Be Part Of State, six states in each district. The scholarships include two years free tuition at one of the colleges in Old Town.

The scholarships are selected by a committee consisting of the president, the chairman of the admissions committee, and the principal of the school. Scholarship winners are chosen on the basis of scholastic achievement, leadership qualities, and financial need.

The candidates are required to maintain a minimum grade point average of 3.0 and to participate in extracurricular activities. They are also expected to demonstrate leadership potential and contribute to the school community.

The scholarship beneficiaries are chosen on the basis of merit and need, with priority given to students who demonstrate exceptional academic and leadership abilities.

Nail Armaments, Termites Treated in Latest Review

Airplane Versus Battleship Is Subject Of Article By Rosell

Articles on "Nail Armaments" by Henry E. Bennett, C.S.A., U.S. Navy, are scheduled to be published in the "Technology Review." This article will discuss the advantages and disadvantages of using airplanes versus battleships in modern warfare.

Commander Rosell, head of the technical committee on Construction, discussed the question of the airplane versus battleship. He pointed out that the subject from point of view of both offense and defense, because it is a "subject in itself," and added that this issue is "advocated in lies of time that our government has endorsed its addition to our armaments."}

Steinlectic College Students Working Here As Part Of Secretarial Course

For the third time this year, students from Steinlectic College are working here as part of a secretarial course. The students are here to increase their "office experience" and to gain practical experience in the field. The course is part of a larger program offered by the college to prepare students for careers in the secretarial field.

The students are working under the supervision of the college's vocational guidance counselor, who is responsible for overseeing the program and ensuring that the students are placed in appropriate jobs.

Free Dance Tickets For Seniors Today in Lobby

Six tickets for the Senior Dance will be distributed free to seniors in the Lobby today from 11 to 12:30. Only those seniors and Graduate Students who have obtained tickets in the Lobby are permitted to enter the dance.

In order to avoid possible embarrassment to others who have obtained tickets through other than orthodox means, the Dance Committee wishes to warn those men that even if they have dates, they will be asked to leave.

Seniors Win 6 Rogers Prizes

Awards of $800 Each Are Given to Students For Ability

Six members of the institute’s Science Club have been awarded William Rogers Prizes for ability. The awards, which this year are $800, are given in memory of the Institute’s founder.

Presented in President’s Office Registration of the awards was made by Dr. Karl T. Compton in the presence of the Faculty Committee on Undergraduate Scholarships and the board of the academic deans in both the Graduate School and the College of Engineering.

Most of the students were unaware of the fact that they had been selected until they were called into the President’s Office. When they arrived, they were told the amounts that were being awarded and led back to their departments, presenting the envelopes to the professors.

Summarizing the recipients of the awards, the board of the Academic Deans stated that the money received were favored. Some stated that they were not sure what they would use the money for, and others said that they were pleased that they had been chosen for the award.
