Team Loses To Winner Of Tournament; Takes Consolation

TECH DEFEATS STATE

Predominated by their previous defeat, Tech's hockey team now seemed to close the members of the New England hockey teams that they will be able to beat, as a result of their good showing at Lake Placid. Tournament ended during Christmas Vacation at Lake Placid.

Tourney Draws 8 Teams

The tournament drew eight teams to this winter sports event in New York State. Among the colleges represented were Union, Hamilton, Cornell, St. Lawrence, Middlebury, Williams, Tech, and Maine. Tech deflected defeat of their fellow members from this state when they absorbed Maine, State 4-0.

Team Defeats Union, Mass. State

The team was eliminated by the closer of the tournament, Williams, in its first game. The match was a contest of two major teams, each having an opportunity in the final two weeks. Last year the match was extremely close and the one tomorrow is expected to be even closer.
