Radio Debate Next Week

As a special feature of the Debating Society's activities, a radio debate emanating from New York will be held next Saturday with New York University. The Technology representatives will be L. Huston, president of the society, and Russell T. Wealth, manager of various debating, who will defend the United States' position of engagement. Among the stations carrying the broadcast will be WLB, the most powerful broadcasting station in the world. A friendly debate on the subject of maritime preparation will take place at Emerson next week.

Rhodes Scholar

Oxford, England, will send a speech to the panel, seeking to gain the United Kingdom's activities. Undoubtedly, this event will be the highlight of the debate.

Provision in Activities

While an undergraduate at the Institution, Lightfoot took part in various activities. This year, Jane Underwood, also a student at Stonehill College, is working as secretary to the University President. She is president of Dramaspin, an organization composed of the basketball team. She is also a member of the honors group of Course V, and was active in Alpha Psi Omicron.

Other recipients of the Rhodes Scholarship were Artho Russell, of Harvard; Eugene, of Middlebury, and Mitchell, of Yale.
