Dr. Compton To Address Boys' Work Rally Friday

A rally to promote student interest in boys' work will be held on Friday, February 17, at 5 p.m., in Room 613B. The meeting will feature speeches by President Karl T. Compton and Professor William H. Timble, according to the Technology Christian Association, sponsor of the project.

President Compton has given the T.C.A. boys' work program his wholehearted support, being impressed by the results to be obtained.

Caldwell

a Happy Combination

gives millions More Pleasure

...and millions of people before and after the show are getting more pleasure from the happy combination of mild ripe American and Turkish tobaccos found in Chesterfield.

It is the exact way these tobaccos are combined together that makes Chesterfields milder and gives them a more pleasing taste and aroma. This exact combination is found in no other cigarette.

When you try them you will know why Chesterfields give millions of men and women more smoking pleasure... why THEY SATISFY
