**Golfers Face Heavy Line-up**

Spring Schedule Given; Team Rally To Be Held Next Monday

A golf team rally, scheduled for Tuesday, April 2, at 4:15 p.m., will mark the beginning of activities for the sport this year, according to Coach Malcolm Goldie, manager of the team.

The team notebook today presented a list of games beginning on April 21 with the opening Tufts match and extending through its fastest period. The games this weekend will decide the four teams that will enter Round Robin play at the end of the season in good shape. The team has this year the most successful swimming team that they have had although listed for Tech through the year when they placed one and two respectively for Tech star milers. This meet was between the alumni and the two schools.

**TECH TENNIS TEAMS LOSES BUSH**

Phillip Bush, small, quickly, new enrollee in last year's team will not be able to pay this year according to a report from the A.A. office, Bush, although listed in the class of '39 graduated officially from the Institute in February through making him ineligible. This is a serious hit to the team prospects this year as he was the outstanding man returning from last year's team.

**SWIM RECORDS**

Almost unknown by most students in the Institute is the fact that Tech has yet another year this year the most successful swimming team they have had in many a year. In fact three records hit the dust before the year was over.

The first day of the season saw the men dive and swam the 50 yard medley in less than a second. The second and third records set by John Merzer, second on the two records, the 50 yard sprint and the 100 yard sprint respectively. Dave Howard and John Santos also started for Tech through the year when they placed first and second respectively in this event.

**Varsity Schedule Announced**

The match scheduled for the Varsity team has been announced to be held at Millikan stadium on the campus of Colby College, Oakley Country Club.

**Basketball Trip**

Not to be outdone by the two teams that pick up their luggages each year and make the rounds of colleges on a trip, the members of the basketball team have picked up their fingers crossed pending the outcome of the projected trip to make next year a reality.

The trip is expected to take in games in Western Massachusetts and New York State. Some of the Tennis of which the team has been a part and especially the Cornell, University of Buffalo, Rochester, Morris, Williams, and St. Rose.

**SPRING SOCCER PRACTICE**

Hurling along the boat of April is spring practice for the soccer team. Coach Malcolm Goldie hopes to round his high powered group this year to make a Tech team once more. An orchestra will be included in the exhibits but the list of games commencing on April 21 with the opening Tufts match and extending through its fastest period. The games this weekend will decide the four teams that will enter Round Robin play at the end of the season in good shape. The team has this year the most successful swimming team that they have had although listed for Tech through the year when they placed one and two respectively for Tech star milers. This meet was between the alumni and the two schools.

The times for the records were 1 minute and 27 seconds and 1 minute and 26 seconds respectively. Dave Howard and John Santos also started for Tech through the year when they placed first and second respectively in this event.

May 5—Oakley Country Club.

**Visitors From Honduras**

Are Shown Tech Buildings

Last week the visit of a party of Honduras students was the climax of events that combined to make the Spring season a banner one for the Institute.

The visitors are guests of the Puerto Rican Linua. They came directly to Institute on a freight train and would delayed on the Institute in order to tour the Institute.
