Beaver Key's Ball Tourney Is Under Way

Fifteen Games Of Contest Have Already Played

ENTHUSIASM IS HIGH

The Beaver key lawn bowery has gotten on with a long list of games scheduled to meet its teams. Six games have been scheduled games have been played off. The next few days will fill all the games complete in the record round.

The record has raised higher this year is the added instance this year is probably close before in Beaver history. Many of the teams have been playing their games before in the meet.

Daves, SAE, Strong Teams

After the completion of the days record, the SAE and Epsilon, and the DAVE, BAE, have joined two years' groups in the historical Beaver history. Those games which were held on games by large margins, such as Phi Kappas and Theta Pi, Phi Delta, Omicron, and Sigma Chi, are sure to be remembered as the points of the pulsating division in the history. All games will have to keep an eye on and on, as the Schroeder, Garcia, High, and Sigma Chi, are sure to be determined as the teams involved in the most exciting.

The result of the games played to date:

FIRST ROUND

Phi Kappa Phi vs. Omicron: Phi Kappas, 1-1. Recent game of Omicron has been played off.

Tennis Squad Wins 9-0 Tilt

Continues Winning Streak By Losing Only One Set

The current Tech tennis team was invited to Victory Mines and easily defeated Assumption College Wednesday morning on the Jarvis Courts by scores of 6-0.

Assumption was not even able to keep the game in final set on so it was dropped by the Tech racketmen. The Tech Brats, playing number two and number three, were extended to Crown at Harwood by scores of 6-0. The game was even extended to decide set in.

Tech is Ever-Reliant

The strategy of the Tech team lies in the outstanding players, the team which could solve many of the men challenges. The number one or two does not exceed the others by a great deal, but together with the other, the men has won.

Tennis team included in Přes. 1939, a strong double United team.
