Janitor Finds Horace E. Hall Dead in Room

Rifle Bullet Ends Career
Of Mech. Engineering Instructor

HAD THREE DEGREES

Horace E. Hall, on his instructor in mechanical engineering, was found shot through the head yesterday in his apartment with a rifle between his eyes, according to police reports. Apparently shot three days ago. He was hit by a .41 caliber bullet mortally
through his chin.

Technology faculty members who visited the scene yesterday had not heard from Hall since Sunday, when police assistance were called to open Hall’s rooms, the janitor made
