Coaching Launch Believed Stolen

The Wolf, Hld., Varsity Crew, Boat, Found Stranded
Up Charles River

The Varsity Crew coaching launch Wolf, Hld., was found high and dry
in the shallows near the head of the Charles River, near the Western Avenue
Bridge late yesterday morning. It is believed that the launch was
snatched on either Friday night or early yesterday morning, when the best
coaches have directed so far for the river. The version of the incident
is unconfirmed.

A report of the launch has been sent to the Providence Bluestar and
in the capacity as Honorary Chairman of Sigma Xi
As an example of Sigma Xi's
commitment to promoting scientific research and education, the organization
has offered a prize of $10,000 for the publication of a book on the subject of

dimension.
