Seniors’ Plans Near Finish
Rock Trial Scheduled For Class Exercises on June 5

The numerous facilities of Senior Rock are already making themselves evident on the rock. The many plans and preparations are beginning to take shape, and the work is progressing steadily.

Senior Rock is situated on Jail Hill, which is the highest point in the campus. The rock is about 200 feet in diameter and about 30 feet high. The rock is surrounded by a wall, and the students are using it for their exercises.

The rock is divided into four sections: the Junior Group, the Senior Group, the Sophomore Group, and the Freshman Group. Each section has its own area, and the sections are separated by walls.

The Senior Group is planning to use the rock for their exercises on June 5. The rock will be used for rock climbing and other physical activities.

The Junior Group will be using the rock for their exercises on June 6. The rock will be used for rock climbing and other physical activities.

The Sophomore Group will be using the rock for their exercises on June 7. The rock will be used for rock climbing and other physical activities.

The Freshman Group will be using the rock for their exercises on June 8. The rock will be used for rock climbing and other physical activities.

The rock is a valuable asset to the campus, and the students are using it to good effect. The rock is a good place for the students to get some exercise and to enjoy the outdoors.

The rock is also a good place for the students to socialize and to relax. The rock is a good place to have a picnic or to have a barbecue.

The rock is a good place for the students to study. The rock is a good place to study while being outdoors.
