With Field Day rapidly approaching, the large freshman contingent of the football and track teams is working hard so that they will achieve a double victory for their class.

The sophmen, who have been working on the redshirt freshman team for the past few weeks, are looking forward to making their debut. Several sophmen have already been selected, & in the practice games and scrimmages the following men have been outstanding: Emory Herthan, Ken Rolts, John W. Smith, and B. Tourtellot.

The freshmen, according to Coach John Stottn, will be employed in a single with what had on the offense. The average of about 200 pounds, but the backcorrelations averaging 150 pounds, will be counted. The sophmen will consist of fewer pounds. The man by the sophomore halfback, Dismissive Half Back, a speed merchant. The backs and forwards are expected to be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman. With Marston, consistently bouncing punts of 50 yards down the field, the sophmen will be right on the freshman.
