**Kappa Sigma Fire (Continued from Page 1)**

Saddles were placed at the sides reaching to the roof, and considerable damage resulted from flames deep within the barn and in the interior walls to gain access to the fire. The entire building was filled with smoke which was exhaled by the flames. The structure was able to take the strain of the burning 35-foot-high barn without the slightest damage were to be completely removed because of the overgrown condition of the barn wood, smoke, and dirt.

**Field Day Events (Continued from Page 1)**

- The last few days with light signals ahead, and blackboard oil on Sophia formica surfaces. Broads, a substitute block, is the only member of Coach John Drouin's charges injured, but it is expected that he will see plenty of action in this year's events.

**Practice Game Store Fresh Strong**

A practice game last Tuesday between the seniors and freshmen coaxed the attendance of the newest books. Leader, expected to bear the brunt of the freshest of rushes, ran back past forty yards through the entire course. The next, following on the next play off shot middle in a third-year gate.

- A wet field and soggy field will hampar these speed merchants, but Edmunds, a first-year, broke a good fresh. Backs to a real snuck.

**Relay Race**

Oscar Holland has given his final OK. The elimination of the positions on the relay team. According to Oscar, the freshmen have a rather dark prospect in the event. However, if the eighth shorts by the Frosh is any indication of what to happen this afternoon, the Sophomores will find that these eighth shorts are shaping up times even little towards a victory. The Froshmen have an important addition to their squad in Boyd, who turned in the fastest time of the teams. Freshmen best Wednesday afternoon. He should prove a valuable man. Really the most outstanding runner on either team is Still of the Frosh, who ran the fastest time at 240 seconds. He has both speed and endurance, but he is by no means what position he will run, since Coach Holland will not disclose the running of the end until the last moment of the relay is run. Place, Halsey, and Laws, in all are very good in the 250 and 300 yards respectively. All of these times were made in a stiff wind, so they should be used only as a comparison of each team's ability.

McClendon, M. B. Boyd, 36:4, and Flann, 24:4, are close together in the middle bracket, followed by Bishop, Antrim, Stewart, Jackson, and Stetson. McClendon is the only member of Coach Holland's, and Whelpley.

The Sophomores have the same team as last year, one change, and the interior walls to gain access to the fire. The entire building was filled with smoke which was exhaled by the flames. The structure was able to take the strain of the burning 35-foot-high barn without the slightest damage were to be completely removed because of the overgrown condition of the barn wood, smoke, and dirt.

- Parade

Papay's struggle between brains and bravery, the top-gun event will be seen to pluck the wings of the strongest of Field Day." The Sophomores outweighing the freshmen stress upon the fact that the senior team will hit the field with all of the field teams, but will not have the opportunity on point for every event so that the field teams will be the favorites in the event.
