be selected from the audience are to
be chosen by lot from a list of those
present who have indicated their de-

tire to participate. They will be paid
the value of their admission ticket in
return for their services.

Issues
(Continued from Page 1)
understand that its entire purpose is
to act as a service club for ath-
lletes at Tech.
Does Technology really need this
service organization? What is the mas-
ter with the A.A.T. It is not the policy
of the Farm to turn out indifferently
bouquets to his fellow classmates, but
he thinks that the present administrative
time in the Athletic Association is del-
lng a very creditable job. It had

calculat
ted that perhaps the student in-
terest in athletics has not reached a
fitter pitch, so it has already expanded
the publicity department of the A.A.T.
put a capable man at its head, and

tempts to stir up more student in-
terest in athletics.

Photoelastic Conference To Take Place Saturday
Technology's department of mech-

ical Engineering will be host to the
Eastern Photoelastic Conference in its Tenth Biennial Meeting which
will be held next Saturday. Dr. William M. Murphy of the Me-
nanical Engineering department, chairman of the local committee,
will be in charge.

Registration for the meeting will be on
Saturday morning at 9:00 A.M. will be handled by the of-
icially appointed registration committee. The wel-
coming address will be given by Ed-
ward L. Rendel, Dean of En-
gineering.
