Institute Committee Meeting—East Lounge, Walker.

**DORM DINNER**

(Continued from Page 1)

the Carnegie Institute has consented to be the chief sponsor at the dinner which will last from 1 till 3:30. It is expected that Mr. W. S. Compton will attend the dinner.

Kurt Barlert and his orchestra has been secured to play for the dances which will follow the dinner. Barlert holds college or twelve pieces and is supplemented by Vila Strejc, attractive 18 year old vocalist. Barlert has played popular at other Boston colleges but has never appeared at Institute functions.

Open Air

Intended primarily for Dormitory and Graduate House residents, the affair will also be open to their friends. The Dormitories will have Open House from 11 till 1:30, and tea in the Burton Room has been released for the Institute Holiday refection.

A special Dinner Committee has been appointed by the regular Dormitory Committee headed by C. Houston Brown, '41. The executive is composed of Joseph B. Wiley, '40; William J. Schnorr, '40; Richard H. Hurley Bloom, '40, the committee is assigned to them, it was announced by Harold Walcott, '41, chairman of the committee.

next noon. Most of the tables will be arranged for four couples, because the committee recommends that table parties be arranged in advance. A few random tables will also be planned. Those who have not made reservations by Thursday will have tables assigned to them, it was announced by Harold Walcott, '41, chairman of the committee.

It was

in Grandfather's Day

When your grandfather

needed tobacco he probably went to the tobacconist in his community and had a lot of fun blending different types of tobacco together and trying out the different mixtures.

He may have finally hit on a combination of tobaccos that was pretty much to his fancy... that tasted all right and wasn’t too strong. So the tobacconist, with an eye to future business, would make up this private blend and keep some of it on hand for him.

This hit or Miss method of tobacco blending was never very satisfactory. But it proved one thing to both smokers and manufacturers, that you must have a blend of tobaccos to get better smoking results, because no one tobacco by itself has all the qualities necessary to a good smoke.

The Chesterfield tobacco buyers select and bid in at the auction sales the tobacco types that best fit the Chesterfield blend, which is the right combination of exactly the right amounts of Maryland, Burley and Bright with just enough Turkish. These tobaccos and the Chesterfield way of blending them make Chesterfield different from any other cigarette.

That is why there are millions of enthusiastic Chesterfield smokers clear across the country. They say Chesterfield COOLER, BETTER-TASTING and DEFINITELY Milder... just what they want for real smoking pleasure. You can’t buy a better cigarette.
