Wintry Blasts Halt Ski As Classes Ski
Weather Conditions Break Long Time Record; 80 Mile Wind

Radio Talk Unofficial

The severest of Old Man Winter caused President Karl T. Compton officially suspend all Institute classes yesterday. This was the first time in the history of the Institute that classes was called off as a result of weather conditions. Dean Thomas F. P. Crean stated, after being advanced at the Institute all night.

President Compton was about to make the broadcast concerning the day morning, when he heard over the radio that classes would be canceled. Reaching the conclusion that since 5:16 P.M., radio announcers had taken matters into their own hands and had canceled all classes, he decided to return.
