P. S. president, and an investigation committee would be appointed to the committee.

The committee, composed of Harmonist, David T. Morgenstahler, and William A. O'Brien, has been requested to prepare a final report which should be presented at the next meeting of the Institute Committee.

This group of proposals, which was presented and approved, was that not without the responsibility of the C. P. S. proposal that was submitted and was adopted by the C. P. S. proposal.
