about himself .

She found out that Der Fuehrer referred to the three leading "I-men" of the world.

LOUD IN SILENCE

He might say it again, all I can say is that it made us smile.

This vocal minority does not seem to be able to things...we are not in the habit of discussing these things...we are not in the habit of discussing these things...we are

a HashSet. In the context of a HashSet, the set being added was `{10}`. This action was performed on a HashSet named `myHashSet`. The `myHashSet` was initialized with `{1, 2, 3, 4, 5}`. After the operation, the HashSet contained `{1, 2, 3, 4, 5, 10}`.
