New Election Rules Adopted by Beaver Key

Honorary Society Allows Appointment Of Six Class Members

EDITORS IN SOCIETY

Despite innovations in the election of members to the Beaver Key Societies approved last spring at a meeting of the student body in the West Lounge of Weld Memorial. The results of the voting provided for these changes in the method of election to position on the Executive Committee and into the membership of the society.

The chairman of the Decennial Atlantic Committee will annually become a member of the Society and the Executive Committee, and into the membership of the committee.

The new T.C.A. cabinet will hold a retreat this weekend at the Tech cabin in order to give the committee the opportunity to meet and become acquainted. This first meeting of the cabinet is set for tonight at the executive meeting of the Tech society.

The members will leave the Executive Committee and into the West Lounge of Weld Memorial. The former president, William J. Hageman, Jr., will preside at the meeting.
