Ivison Is Named Delegation Head

Stelling M. Hutton, Jr., '46, president of the T.C.A., was elected chairman of the Technical delegation by the informal summer meeting of the Student Christian Movement at a meeting of all the former Field School delegates at the Institute last week in the T.C.A. office.

The meeting is to be held this Friday in Camp O-A-Ka, in East Sebago, Maine, between June 15 and 19th. Representatives from all 26 New England colleges are expected to attend.

Stirling Williams, Arthur L. Skyrm, Jr., and William L. Malloch, secretary of the T.C.A., will form the nucleus of the delegation. Anyone interested in attending this year's meeting is urged to register at the T.C.A. office, where further information may be obtained.

Burr-Sussman

(Continued from Page 1)

No! John Burr spoke for ten minutes before a small audience.

Sussman for N.Y.A.

Burr's opponent, Sussman, spoke the N.Y.A. and noted for increasing appropriations as an investment in American democracy. A question period followed the debate. Only questions were put to the speakers.

The practical aspect of the discussion was, as usual, of little concern, for in the present economic uncertainty many advocates claimed to be unconcerned with the issue.

But Mr. Burr: "It was very interesting and I think we should have more of these. I am sure, however, convinced by Mr. Sussman's argument."

Sussman stated: "Burr has appeared out of touch with the N.Y.A. art and football about it. He offers no practical valid solution to the problem."
