Busiest Cigarette in the Country

...That’s Chesterfield

Going “two packs at a time” because Chesterfield is today’s definitely milder, cooler-smoking, better-tasting cigarette

These three qualities—MILDNESS, COOLNESS, TASTE—are the sum and substance of real smoking pleasure.

You enjoy all three in Chesterfield’s right combination of the world’s best cigarette tobaccos.

At over a million places where cigarettes are sold you can see these clean white Chesterfield packages going into more pockets and more handbags every day. All over the country smokers are finding out you can’t buy a better cigarette.
