MURDOCK is '41 PRESIDENT; COLE AND REEFE Elected Heads of Lower Classes

General Referendum Will Be Voted Upon By Classes May 14

Single Vote Margin Passes Motion Last Night

By the slimmest margin of one vote a motion to hold a general referendum on the question of whether the fraternity system should be passed or the regular Institute system of fraternities should be retained was passed by the regular Institute system of fraternities should be retained. The committee which undertook the investigation of the fraternity system failed to vote, so the question was put to the vote of the General Referendum Committee to determine the large majority of those in attendance at the meeting, and the fraternity system was passed by five to four votes.

Reform Committee Set Last evening a motion was passed setting the date of the referendum as May 14. The committee will consist of five members appointed by the senior classes.

William B. Abernethy, '41, Chairman of the Whipper Memorial Committee, has announced that a copy of the constitution of the fraternity system will be sent to all members and will be posted in the Main Lobby of the Institute.

The chairman also introduced a motion to approve next year's rental for the T.H.C. House. This motion was passed, and the rental was to be held two weeks to allow the houses to make their plans for events in the Walker Memorial Hall.
