1940 Smoker Plans Made

Animal Activity To Set Up Exhibits; Films To Be Shown To Frosh

Activity program has been announced, and exhibits by Radio Station WORE are to be set up in the Student Union. The acts, which are to be performed on the first of August, will be prefaced by a skit presented by the students. This skit will be followed by films for the junior class to view.

Michigan Technic Receives T.E.N. Cup

At Gridiron Dinner

Novelist Williams Speaks At Basquet; Gridiron Inauguration

Golden, honorary society for students publishing in technical journals, was named the direct successor of the Michigan Technic. The society was reorganized last May when it was discovered that the Michigan Technic had been dissolved.

Dramashop Outlines Next Year's Plans

Four Sets Of Three to Be Presented

To Be Presented

Dramashop plans to produce and direct, during the course of next year, four sets of three one-act plays, to be presented on four different Sundays. Selections for these plays will be announced at the October 17 meeting.

Small Percentage of Votes

Only 213 of the 1,600 eligible voters cast ballots during the referendum held Tuesday, and consequently, the results of the referendum were not officially released.

The percentage of the votes cast for the resolution that the student body should vote "yes" to the referendum was not officially released.

The results of the referendum were announced at the Institute dinner, and the students were not officially informed of the results.
