All Tech Smoker

(Continued from Page 1) as well as allowing the undergraduates body a system of self-government.

He also asked that the freshmen cooperate with the faculty in this task of national alarm, and to be prepared to make possible changes in the faculty, because of industrial emergencies which might require their services.

Erdahl, L. L. (Dean of Students), in his talk to the freshmen told the freshmen of the halls of Walker. The freshman will retire to view the exhibits of the activities placed in and the freshmen will receive a better idea of what the Tech has to give them.

A variable sports program.

How, and why Technology has such an ice cream stand.

The freshmen attended in the under graduate office of the Senior House will receive refunds of $10.00 for the Tech upon presentation of the card of previous participation. The refund is also obtainable at the business office of the Tech.

Nineteen Coeds

(Continued from Page 1) She is also a member of the winnipeg golf club because she loves to play golf, and is very good at it. "I've never seen a better one," said the interviewer.

Wendy More Swimming Time

Another swimming time, and this time was attended by the students at Tech in the sixth grade.

Miss Barbara Green, who has been swimming for three years, was able to attend the last year. She was Sports Editor of her high school magazine and wants to work on The Tech.

Miss Barbara Green, a very able swimmer, with a distinctive accent acquired on her travels, wants to be a physician. When asked what kind she answered, "The kind that makes stuff work." She attends her courses.

Aren't Math

Mr. Fred E. B. Parker, assistant professor of Mathematics, said that Mathematics is the key to all the doors of knowledge. The Mathematics is the key to all the doors of knowledge.
