Rifle Team Wins Its Second Meet

Continuing its successful season the Technology Rifle Team scored in second win of the season in a match with the Pickwick Rifle Club last Friday night. This fair day score of 885 to 893 gave Tech a better margin than the 898 to 892 victory over the First Corps Cadets the previous week.

High scorer for Technology was Jack Karstrom, a Sophomore who is new to varsity competition, with a score of 222. There were no other exceptional scores and the shooting was not generally as good as had been expected. A still match with a good high Friday evening. The match should prove very interesting.
