T. C. A. To Sponsor Pan-Americanism Talk

Dr. A. Hump Brown, continental secretary of the V. C. M. A., will address the foreign students department at the Union at 7:30 p.m. on Thursday of the T.C.A. meeting at the T. C. A. office on the topic of Pan-Americanism. Students of American origin from Boston University and Harvard have been invited to hear the talk by Dr. Grant, who has traveled from New York to make the address.

A system of coloring was used to classify the work. Although students and faculty moved through all this progress, he stated, "one friend tells another." Students and faculty moved into the building.

Diplomatic and commercial relations between the United States and Mexico have been a guiding spirit in this progress. He noted the progress and the change in the attitude of the United States toward Latin America in recent years.

Magoun, "Cercle Francais" Plans Dinner Meeting Monday In Grad House

Magoun, the former president of the Cercle Francais, plans to hold a dinner meeting for the organization on Monday night in the Grad House. The meeting will be held at the suggestion of the Cercle Francais and will be addressed by Professor Elmer F. Landis, professor of political science at Harvard University. Magoun, who is also the president of the Harvard University Press, will speak on the subject of French literature and culture. The meeting is expected to attract a large audience.
