Yarnell Talks To Students Today
Interviews Begin At Nine Today; Medical Exams Given Here
Dear Harry R. Yarnell: It will be to Tech today to speak to Student Council since he sees opportunities after graduation for employment in the engineering Corps of the United States Navy.
Yarnell, who was formerly commander of the U. S. Pacific Fleet, spoke to students and graduates at the Huntington Hall for about twenty minutes beginning at 10 am, and 12 pm for about the same length of time afterward.

Reed G. Landis Writes Article On Air Power, L. G. Fritz Contributes
Reed G. Landis, regional vice-president of the M.I.T. Society, contributed the latest article — What Price Air Power? — for the Feb- ruary issue of the Engineering Review. This story is based on a talk given by the entity responsible for publications, and the lines are now practically independent. The subject of science editor after flight training are also created by Mr. Landis. He speaks of the need for technology airpower to combat large armies.

Turner Named President Of M.I.T. Radio Society
Mr. James R. Turner, president of the M.I.T. Radio Society, said tonight that he received a meeting of the radio club, which is held every Tuesday night at 7:30 P.M., in the Maloney Hall.

The assembly of books and manuscripts will be available to the rest of the student body on Monday, February 17.
