Dr. H. Rosinski
Speaks At Lowell
Former German Naval
Lecturer To Discuss
Naval Strategy

The German naval officer, former lec-
turer at the German Naval Academy, will
present the growth of modern naval
forces and culminate in a description of sea
power and naval strategy in the
U. S. economy.

His first lecture will be
at the Lowell Institute, Boston Pub-
lic Library.

Dr. Rosinski’s lectures will trace
naval strategy from medieval
times and culminate in a description of sea
power and naval strategy in the
present war. His first lecture will be
Saturday, February 11:00 A.M. Prof. S. S. Smith's Lecture-Room 6-120.

The lecture will be of a regular
nature and will be given by Prof. S. S. Smith.
