Tennis

Men's Doubles Tournament, featuring the annual intercollegiate championship finals, will be held next weekend in the Hangar Gym from March 12 to 14.

While spectators at the championship matches for the miniatures of the gold
gloves should be in training now, they should be certain that they have signed up for the
tournament. The deadline for signups is March 7. Those who have not signed up for the event will be found posted on the bulletin board in the Hangar Gym.

Boys are substituted in weight classes ranging from 115 pounds to 175 pounds. The
top weight classes will range from above the 175 pounds claim.
