With Three Events Outing Club Plans An Active Weekend

With a square dance, a horseshoe trip to the Blue Hills, and a weekend trip to the Tufa Caves at Plymouth, N. H., the Outing Club plans an active weekend this Saturday and Sunday, March 9th and 10th.

At 1:00 P.M. the dancing members of the Outing Club will convene at the steps of Walker for a jog among the Blue Hills, led by Abe A. Roth, Jr. The length of the trip will be determined by popular vote, as lowest cost a dollar an hour.

At the same time and place, winter sports lovers will leave for a multi-natured club weekend trip to the Tufa Caves in Plymouth, N. H., in conjunction with girl members of the Massasoit College Outing Club.

On Saturday evening at eight, the Outing Club members will dance with thirty girls from Simmons and Radcliffe at a square dance in the Walker Gym. With Al Smith calling, or recorded music, the dancers will be chaperoned by President and Mrs. Marcus. A few tickets are still available and may be bought in the ouiting club office any time between 5 and 6 P.M. for $0.35. For the other trips the sign-up lists are posted in the lobby of Building 10, opposite the custodian’s office, where they will remain until Friday.

Boston Alumni Meet Thursday

Compton To Speak New Film of Tech Will Be Shown

The second annual midwinter meeting of Boston Alumni of the Institute will be held in Walker Memorial on Thursday evening, February 27.

The program includes a buffet supper in the gymnasium at 6:30 and directly afterwards, the film Superlance, which will be followed by a general meeting in the main hall at 8 o’clock. Dr. Elbert C. Robinson, president of the Institute, will address the alumni as an invited guest, and President Vannevar Bush will speak on “Science in the Defense.”

The following alumni have been invited to attend: A. Warren Norton of New York, president of the Alumni Association, will preside. The program will include the first showing in Boston of the hand-colored motion pictures of the Institute, which will be presented by H. Storer Powell, Technology’s track man.

Top Honors for Chesterfield

it’s the smoker’s cigarette
COOLER, MILD, BETTER-TASTING

It’s called the smoker’s cigarette because Chesterfield is the one cigarette that gives you a completely satisfying smoke. You try a Chesterfield and find them cool and pleasant. You fight one after another and find they really taste better. You buy pack after pack and find that Chesterfield are milder. You can’t buy a better cigarette
