**Phos Saved From Tragic End By The Tech's Steif Censorship**

Phos, your favorite Chico, noses that the next, almost comes in a tragic and this past weekend when the timely offered Voodoo's Home Journal to the public in style. But for your action, for members of The Tech secret service in rescuing Voodoo and divulging pictures delicately bordered Technoid standards, Phos might never have been at the end of her checkered career.

From the page given in his eye, as early as Thursday evening 'The Technoid operations' expected Phos' scopes of planning something fish. Close investigators revealed that a certain drawing was to be placed in a campaign spot in the Junior Prom of Technoid's无论如何 public house.

The situation called for swift action, and The Tech proved equal to the task. From their blackened sanctum news came that the Voodood tripled its pages, printed and distributed by The Tech at the Junior Prom for all the world to see and judge.

**Chesterfield is the Cigarette's MINDER, BETTER-TASTING**

Those clean white Chesterfield packages have everything a smoker likes and wants. Pull the red tab — take out a Chesterfield ... and light it. You'll like the cool way Chesterfields smoke ... you'll like their BETTER TASTE and you'll find them DEFINITELY MINDER—not strong, not flat.

That's why Chesterfield is called the smoker's cigarette — the cigarette that SATISFIES.
