In the manufacture of instrumental music for the very formal tapestried ballroom. An annual affair last, but we wouldn’t say least, is at Bermuda Terrace for their “Spring Shore” to accommodate the large expected crowd of Dormitory and 5:15 Club revelers.

For Boys To Pay

We expect to inform Technology students promptly when a final decision is announced. On the basis of information we now have, we anticipate that the great expense and inconvenience will exist for the remainder of the year.

CAMPUS At M.I.T.

Reports of crew men and the Naval Aircraft Society, civilian directors, faculty and guests, have constituted the welcome to the green grass and soft breezes as winter—chronological—snow.

Debaters Fall To St. Lawrence Team

Turning to the airwaves for their last debate held last week, the Technology debates considered the subject, “Resolved: that the right to bear arms be declared in war in Canada.” Opposed by the St. Lawrence University debaters over Ravine and Walker at 7 P.M. in Walker Memorial Hall. The subject under discussion is to be “Resolved: that this time of national emergency the government assumes control of all plants engaged in the manufacture of instrumental music.”

Summer Session

office of Education. While no final decision has been reached, the reports from Washington make it clear that an associated program for the Class of 1942 probably will not be taken this year, particularly because of the great expense and inconvenience which the present national defense training programs.

As an effort to inform Technology students promptly when a final decision is announced. On the basis of information we now have, we anticipate that the great expense and inconvenience will exist for the remainder of the year.

Very sincerely yours,

K. T. COMPTON, President.
