Activities Must Submit ’41 Handbook Copy Soon

All student activities desiring recognition in the 1941 T.C.A. Edition of the Manual must submit a copy as soon as possible. With no probable exceptions, all such cards have been sent to all activities, but in case any have been overlooked, they are asked to present the copy to Assistant Registrar III, in the T.C.A. To compete for recognition that arrangements be made as soon as possible, a copy of the ’41 Handbook for the 1941 Manual must be in by April 21.
