

Knapp, Coe Pace Sailors; Win Owen Prize

Dinghymen Vanquish Yale And Eight Others, Score 156 Points

The George Owen Trophy, recently donated by retired Professor George Owen, '94, designer of the Tech dinghies, will remain at Tech this year as a result of the fine sailing of Jerry Coe and Dick Knapp in this year's First Annual Eastern College Dinghy Regatta for the trophy this week-end.

Jerry Coe won five firsts in the nine "A" or Red division heats to take a total of 71 points. With the highest score of the regatta, and the only score higher than Coe's, Dick Knapp, skipper in the Tech B, or Blue Division boat, took 85 points with five firsts, three seconds and a third.

Yale Second

Second to Tech was Yale, whose skippers, John Ware and Richard Besse, won only one race apiece, but placed high in the other heats. The Blue was 34 points behind the Beavers, taking 122.

One of the most outstanding performers in the Regatta was Harvard freshman Dave Noyes, who skippered his A division boat into third place, crowding Coe in the third, fourth and fifth races and edging him out in the next two. However, his luck failed him in the eighth race, when he jumped the gun and finished out of the running after being called back. Coe mentioned yesterday that, "Noyes was plenty hot Sunday!"

New Coach Signed For Spring Soccer

Big Turnout Expected For Intensive Practice Starting April 28

Recently signed by the M.I.T.A.A., John F. Craig will take over his new duties as soccer coach on Monday, April 28, when spring soccer practice starts. Craig has for the past twelve years been coaching at Watertown High School which last year had a very successful season, winning twelve games of a fifteen game schedule.

When practice starts the new coach is eager to have a large turnout. Previous experience is unnecessary, and all who have played or are interested in playing will be welcome, manager Bowers said.

Practice will last only two weeks, but will be very intensive, according to Dexter K. Bowers, manager of the team, and at the conclusion of the spring workout, a practice game with Harvard may be arranged.

Craig, the new coach, played soccer in Scotland in his youth. While coaching at Tech, he will for the present continue his duties as director of athletics at Watertown High. He succeeds Malcolm Goldie as Beaver mentor.

Baseball Tourney Gets Under Way

The first round of the Beaver Key Softball Tournament held at Briggs Field was concluded over the week-end.

The results, according to manager Bill Denhard, were as follows: Alpha Tau Omega 8, Sigma Alpha Epsilon 0; Sigma Alpha Mu 14, Theta Chi 13; Phi Gamma Delta 38, Theta Xi 1; Phi Delta Theta 11, Lambda Chi Alpha 6; Delta Kappa Epsilon 32, Phi Beta Epsilon 3; Sigma Chi 19, Delta Psi 6; and Sigma Nu 19, Phi Lambda Phi 13.

Further results were: Phi Sigma Kappa 23, Phi Kappa Sigma 9; Theta Delta Chi 14, Chi Phi 10; Phi Mu Delta 40, Beta Theta Pi 0; Delta Upsilon 12, Kappa Sigma 5. The computers and Delta Tau Delta lost their games by default to Phi Kappa and the Student House, respectively.

Ball Game With Jumbos Called Off By Beaupre

Because the Jumbo team wanted to postpone the game again, last Saturday's baseball tilt with the Tufts Jayvee was called off. The game will not be played at all, according to playing captain and coach Ed Beaupre. The Beaver schedule is complete for the remainder of the season.

This Saturday afternoon the Tech Independent baseball team will take on the Harvard Frosh, Beaupre said.

Lacrosse Team Loses To Tufts In Final Minutes

Beavers To Engage Champion Wildcats In Next Scrimmage

Tied in the last three minutes and beaten in the last minute and one-half, The Tech lacrosse team lost a heart-breaker to Tufts last Saturday. Leading by one goal till the end of the game was in sight, the Beavers were nosed out by a 5-4 Tuft's victory.

Played on Briggs Field, the game turned out to be the roughest yet this season. Penalties were plentiful, as were uncalled fouls, though injuries consisted of one sprained ankle picked up by second attack-man Hill.

High Scorers

For Tech the scoring was done by Leader (2), Sibley (1), and Powell (1), with Hill and Gander completing the attack. Playing defence were Evans, Dunwoodie, Fenton, Given and Hooper. Outstanding Tufts player was Mitchell who scored 2 goals and was credited with one assist.

Next on lacrosse schedule is one of last year's winners of the New England lacrosse conference, New Hampshire. The Wildcats will defend their championship in home territory as the game is to be played at Durham on Wednesday, April 23, at 4:00 P.M.

Golfers To Open With Brown Friday

With members practicing daily at the Oakland Country Club in Belmont, the Technology Golf Team is rapidly rounding into shape. The first game of the season—against Brown University—is scheduled for next Friday at Providence.

Team members for this trip have not as yet been chosen, but according to Chris Peek, '42, manager of the team, the following men will probably be chosen, depending on their performance at practice this week: Doug Scott, George Urquhart, Arthur Avent, Gene Morrison, and Chris Peek.

Tracksters Prepare For Colby Saturday

With their first meet only four days off the tracksters are pounding cinders and clearing bars in order to defeat Colby on Saturday, April 26.

The Beavers have trimmed Colby the past two years: 80½ to 54½ in 1939 and 88½ to 46½ in 1940, and are determined to trim the White Mules again and to begin another undefeated season as they did last year.

The freshmen too are preparing for their season opener against Governor Dummer Friday, April 25, at 4:30 on Briggs Field.

Crimson Crewmen Are Heavier And Taller Than The Beavers

Having lost three men of the heavies through graduation last year, the Harvard crew that the Tech varsity eight will face on Saturday in the Rowe Cup has only three men from last year's first eight in their first boat this year.

The heavies are stroked by Wagner, weighing 174 pounds, who had been promoted from the Jayvees crew in which he rowed last year. 188 pounder Hinkley is seven in his first year on the varsity, 190 pounds of Whitman fill the space behind Hinkley, Herter who weighs 188 pounds rows at five; for both of them this is the first year in the varsity.

Captain Sherman Gray, who was six last year, is at four this year. He weighs 185 pounds. Goddard, also of last year's Crimson boat is the same weight and behind Gray; Pennoyer is a 180-pound two man, Pirnie, the other veteran, is bow. Ducey the cox was on the freshman squad of 1939 and this is his first year as Varsity cox.

Bolles Comments

Commenting on their performance head coach Tom Bolles stated that as they only had three weeks on the

river this spring it was too early to tell what they could do.

The average Crimson weight is about 180 pounds to the average Technology weight of 177, while their average height is 6 ft. 3 in., to the Beaver 6 ft. 1 in.

The Crimson Freshman are stroked by six footer Morse who tips the scales at 163. Behind him are Noyes, Chase, Eustis, Knapp, Church, Michalis, Wentworth. The freshmen are coxed by Leland. The average height is around 6 feet and the average weight is about 172. Four of the squad have rowed for their prep schools.

Tech Varsity Beats Frosh

The Engineer varsity beat the frosh by two lengths over the Henley distance last night. Having given the forty-four boat a one and a quarter boat length start, the Beaver first eight gained slowly but surely on them and at the finish were three-quarters of a boat length ahead. The time was seven minutes and two seconds and the conditions were unfavorable with a strong side-wind and choppy water. Head coach Bob Moch thought that the rowing was fairly good.
