Defense Tax Boosts Budget for Soph Porm

Additional Expense To Be Absorbed By Dance Committee

In urging their share for the national cash drive, the Sophomore Parents' Committee has decided to absorb the new $35 defense tax on tickets. However, the committee is not considering a student surcharge.

Due to this addition, the dance committee will have to reduce the number of tickets to be sold. A change of plans has been decided that will be in effect immediately.

Options will remain on sale until Friday. If tickets do not reach the limiting goals, the committee may have to cancel the dance. The committee will meet on Friday evening to discuss the situation.

New Table Setting

Table reservations for the prom are available for a $5 deposit charge. At the time of final payment, a $5 surcharge will be added as an essential seating arrangement. The tables will be set for 5:30 P.M. on May 30 in Sumner Hall.

Girls To Help At Frosh Rally Class Of '45 Claims Unprecedented Affair

Sixteen sophomores have again signed up (only six) at Technology. The freshmen class has announced that it is preparing for Frosh Day at the Rally, and all interested members are being invited to the rally on Thursday.

The committee in charge of the rally, though consisting of the fewest members of the section, has full plans for a program that is scheduled to keep the students busy for four hours on Thursday.

Seven of these girls and most of the freshmen present at the rally have already admitted their presence, and 10, as yet, have not been signed up for some reason at P.T. headquarters.

Telephone numbers for these girls have been published in the above bulletin, and it is understood that the freshmen are going to make the most of it.

T. P. Substitutions

End Thursday Noon

Names of members of the graduating class, who have not yet signed up for the final program of that day, are being accepted by the sophomores who do not want to sign up for some reason. The committee is interested in getting the names of these students, and any member of the graduating class may be interested in helping them.
