Sing

(Continued from Page 1)

terest house, any of the dormitory halls, the 31 Club or the Association of Women Students. The Student House, the Faculty Club and any class A or B activity listed in the The Tech Handbook.

According to the rules of the song, as announced last week, no member of any team may comprise a team. The order of singing will be determined by lot. The accompanying music, vocals and amount of applause on singing ability and amount of appreciation from the audience and participants.

Debate

(Continued from Page 1)

first time, each constructive speaker is credited by a minus mark to the opposing team. As a result, the debate is said to be made too interesting both for the audience and participants.

Shaw Renders Decision

The decision was delivered by Prof. Frank Shaw who is a professor of speech at Emerson. In his decision, which was also delivered over the air, he stated that the Holy Cross had failed to adequately meet the case presented by the affirmative from the Institute. Instead, he ruled, talked about material treatise of the debate to the audience.

The Tech team consisted of George M. Maguire and Raymond E. Shaffer, both of 43. Maguire was selected by the faculty as the best debater in the meet.

M.I.T. Glee Club Concert Tomorrow

A concert with the Pembroke College Glee Club will be announced by the M.I.T. Glee Club for tomorrow evening in Morse Hall of Wellesley College at 8:00 P.M. to which the public is cordially invited. The program will include six numbers by the M.I.T. Glee Club, which will also take part in future competitions with the Pembroke Glee Club.

The program will be of quite a varied nature and include the following: the chorus singing the classics "Allah" by Bach, and ending with the "Finale from the Gondoliers" by Gilbert and Sullivan.

Spirituals and Folk Songs

The M.I.T. Glee Club will sing one group of spirituals and folk songs, and the Pembroke College Club will finish with a group of Chinese nursery rhymes. The first group of songs by the Tech men will be a group of religious songs.

Admission to the concert is free. Afterwards there will be a dance to which all persons who attended the concert are invited. This concert is the first of the Musical Clubs public activities for this year.

“Hard-to-Get”

Frequently in experimental and development work, progress is halted for lack of some vital and seldom used material that satisfies it. Egg yolk is the best known example of such a product. The egg yolk has been used in the laboratory for many years, but the supply is limited and has never been satisfactorily replaced.

Lafayette Radio

TAY LAFAYETTE next time for your “hard-to-get” or standard parts and supplies. They are all in our Catalog. Phone Hubbard 0474.
