**The Tech**

*Let's Set The Rising Sun*

CAMEBRIDGE, MASS., FRIDAY, MARCH 24, 1944

PRICE FIVE CENTS

**Sale Of Options To Junior Prom Starts Feb. 10**

Sales Restricted To Juniors this Weekend and Two Days

Options for the Junior Promenade Weekend will go on sale Tuesday, February 10, at 9:00 p.m. in the Registrar's Office at the end of the first floor of the Engineering Building. Options for the Junior Promenade Weekend will be available to the Class of '43 during the first two sales days, after which they will be available to the school at large.

To preserve as much as possible the conviviality of the prom night, the Interfraternity Council will hold down sales to a number which will not exceed the Imperial Ballroom of the Stater.

**Initiation of Approvals of Options**

The Interfraternity Council approved of the options for the Junior Promenade Weekend as presented by the Interfraternity Council. Subsequently, the Interfraternity Council met and voted to accept the set of options for the Junior Promenade Weekend as presented by the Interfraternity Council. (Continued on Page 3)

**Prof. Hardy Writes For January T.E.N.**

Electro Microscope Discussed In Issue

On Sale Today

Featuring an article written by Professor George G. Hardy, of the Department of Chemistry, this issue of T.E.N. will go on sale today, with a sales desk located in the hall. The desk is also located at various places throughout the campus.

Professor Hardy discusses in his issue the “Nuclear Physics,” an article on the topic of nuclear physics and its application to the field of chemistry.

**Summer Classes Would Prove Definite Hardship**

Says Vote Of Sixty Per Cent Of Junior Class

By a three to two majority the Junior Class declared that the continuation of classes through the summer months would constitute “definite hardship,” in an enthrallingly supported poll conducted by the Five-Fifteen.

A total of 146 ballots were cast and 88 percent of the votes were in favor of the resolution. No objections were raised by any of the faculty members.

Climbing at a time when the question of putting up the building is at hand, the ten-month battle, is receiving wide attention, the poll was conducted in a meeting of the M.I.T. Chemical Society last night at the Chemical Laboratory.

**March 27 Is New I.F.C. Ball Date**

Change From May 15 Is Made To Conform With Graduation

The date for the Interfraternity Council’s grand ball, announced from May 13 to March 27, is made to conform with the graduation date.

A slight change in the date of the ball, as announced by the Interfraternity Council, was made to conform with the graduation date.

**Vance Is Elected Frosh Sec.-Treas.**

Rowland B. Vance, of Columbus, Ohio, was elected frosh sec.-treas. of the Tech this week. Vance, a senior in the class of 1948, was elected at a meeting of the freshmen council held a few weeks ago. It was the first time that a freshman had been elected to the position of the freshmen council. George L. Baxfield, Jr., and John E. Hodges, were re-elected as freshmen council representatives of the freshmen class.

**Mr. G. A. Webster Addresses A.C.S.**

Mr. G. A. Webster, President of the National Coal Association, and motor pictures on carbon and electricity were presented to the members of the Senior Class at a meeting of the M.I.T. Chemical Society last night at the Chemical Laboratory.

**How To Study**

"To Be Given Next Term" Lecture

As freshmen burden themselves with final examinations, they may look in the future with more hope of success. The Baccalaureate ceremonies, held on the 24th and 25th of April, will be the occasion for this opportunity next term," McGeenise said.

**Student-Faculty Group Will Remain In Touch By Solons’ Action**

After the motion had been removed from the table as a result of a motion by W. Homer Shaw, '43, president of the T.C.A., and Carl L. McGeenise, chairman of the Student-Faculty Committee, that said change in the Constitution of the Institute would be desirable, the committee will be able to and would stipulate the activities of the committee. The study plan, the Junior Class, and the senior class voted to remain in touch with the committee. (Continued on Page 3)
