Students Donate $100 To War Fund Boston Subscribers in Drive to Collect At Least $7,600,000

Each of Technology's four under-graduate classes donated $100 to the Greater Boston United Fund drive, which Wednesday evening (continued a three weeks' drive) for funds for an overseas fund over $65,000.

In one of the most enthusiastic charitable undertakings ever attempted by any community, 1,200 volunteer workers have spent the past three weeks soliciting through Greater Boston in an attempt to raise the unheard of total of $7,600,000.

Organizations sharing in this huge fund include the major charitable organizations which annually solicit donations from the charitable public. This combined drive was in- tended to arouse greater interest in each of the organizations participating, hoping to thus receive greater contributions, to enable those organizations to continue their work.

The participating groups included the Red Cross, the United Service Organizations, and the Greater Boston Community Fund.

Int. Club Dance Will be Tonight

Inviting everyone who feels like dancing for the fun of dancing, the International Club is happily going to expense a dance at the Hangar Gym, from 8 to 12 tonight. Friday the 13th. It was originally planned as a square dance, but the caller will be unable to attend. Simple square dances and waltzes will be the fashion, therefore, while the music will be recorded. The main attraction is a Stroll of Wellesley and Simmons girls, states Albert Lam, '43, Secretary of the Club.

FRESHMEN-
Can You Read?

Of course . . . can you write? . . . certainly . . . Do you want to write? Or sell ads? . . . Or take photographs? Or make engravings? . . . Or just learn what a newspaper is all about? If you do, The Tech has a place for you. The second term freshman competition is about to start. If you are interested, drop around to the Tech business office, third floor of Walker, between 4 and 6 o'clock any day during the next two weeks and ask for the Personnel Manager.
