Courtmen Edge Bates 37-35; As Grapplers Pin Springfield In Contest Over Weekend

Beavers Top Bobcats As George Marakas Leads Scoring Rally; Frost Tipped Swamp

The varsity basketball team turned in its fourth win of the year last Saturday when they overcome a strong Bates aggregate in a contest that was not decided until the final whistle sounded. Fanned at the cutest at 1:20 and the home team emerged unscathed by the Bobcats. The Beaver squad found themselves in the lead, but managed to garner its 28 points thanks in no small measure to the skating abilities of Fred Kaneb and Johnnie Burdahl. Mr. Kaneb, a manager of the varsity team pointed out, is an air force officer between contests. The game turned around when Mr. Kaneb hit home a goal on a 12-yard pass from Johnnie Burdahl. The technical ability of the pivot man, in the third canto, enabled the visitors to break away from the home team. Mr. Kaneb scored the only goal of the game for the engineers. On February 26, 27, and 28. During the second period Nork, fast forward cut loose and the Tech score by drilling the puck past goalie Kubo, a pass from Arnold. Penalties were issued to Wulf, Brown, Butter, and Currier in the last stanza, with scores by Kudrow and Butter.

Sail Making Expert Will Lecture Today
Mr. Edwards, the noted sail maker, will give two lectures today for the Boston Community Sailing Association at 4:00 and 8:00 P.M. in Rogers Hall. According to Mr. Walter C. Wood, this lecture should prove of particular interest to members of the Nautical Association, who can obtain tickets at the sailing Pavilion. The lecture will include a sound film on sailing and a slide show by Mr. Ralmy in the demonstration of the handling of America cup races. Mr. Ralmy is the demonstrator at the Bellingham Pavilion.
