CPT Program

To Begin March 1

20 Students To Enroll in Primary Course: Recommendations of Pilot

Pilot training for Institute students under the Civilian Pilot Training program was given a second term around March 1. Professor Richard H. Smith, head of the department of Military Science and Tactics, last night when the news was released.

The procedure of selection of students to be admitted this program has been necessitate because the juniors have missed one term due to the speed up which this is provided for in the regulations.

The order of selection will be enforced, and the oppos- ition to the numbers, the course in the list as the courses in the list of the courses in the list of the courses, and the numbers of the courses, of seven of the courses, and these courses are in the list of the courses in the list of the courses. These students can be selected at once from Captain Edwin C. D. Canfield or in Room 2-256.

Alumni Banquet Plans Announced

All men who will graduate in either April or June are to be in attendance at the Alumni Banquet on Saturday, April 25, it was announced last night by members of the Alumni Association Committee.

The banquet, held annually in the Imperial Ballroom of the Hotel Fensgate on the Saturday before Commencement, ordinarily is only for those men graduating in the spring, but because of the speed up in the construction of the campus these men have been invited to attend the banquet.

Some changes have been made in the requirements for selecting the courses in the course. A physical examination which is a substitute for the physical examination for the course is now available to the members of the course.

Members of the course, from whom tickets may now be purchased, are: Edwin A. Rosenberg, '45; Robert L. Wirths, '45; Marion H. Seabard, '44; Jasper D. Ward, '45; Marion H. C. Harwood, and Major and Mrs. Edward W. Putney.

Upon recommendation of Professor Davis, the department of Military Science and Tactics, this series of courses will be continued through May 29, between-terms vacation.
