**Men's Leave for Amherst**

The varsity swimming team left this morning for Amherst where they will enter the New England Intercollegiate Championships. On the way they will meet a fresh 40-yard freestyle relay team. Although both are expected to do well, neither Coach Walton nor Coach Jarosh expects to win the meet.

The best bet for winning will be with Jack Wood, who has been consistent in swimming throughout the year with the exception of the first few meets when he suffered with a leg injury. Jack Wood is also expected to place high among the divers.

Ed Pepper Takes Choice

Ed Pepper who last week set a new Institute 20-yard freestyle record in a meet with Worchester and Massachusetts State, as well as a 440-yard freestyle record in the New England Intercollegiate Championships, went to a fresh 40-yard freestyle relay team. Although both are expected to do well, neither Coach Walton nor Coach Jarosh expects to win the meet.

The medley relay team which set the Institute record earlier in the season, will also be entered. It made up of Joe Gershnow, Jack Levand, and Captain Bill Denham. Coach Jarosh figures that this team should place about fifth.
