Limited Entries In 150 Varsity Causes Change; Five Crews Prepare For Saturday's Competition

The sixth running of the Bowes regatta started at 4:00 P.M. Saturday, April 28, on the Charles River and named in honor of the late Allen Bowes, a prominent enthusiast and sponsor of the regatta. The trophy will be awarded on the point system to one college finishing in the highest cumulative order in the three main races. As the 150 pound varsity is limited to six, the freshmen Bowes will count in the scoring for the award, in place of the 100 pound varsity.

The revised schedule, therefore, will be held on Thursday, Friday, first, second, third, and fourth places respectively of the Varsity, 9, 5, 2, for the first, second, third, and fourth places respectively of the Junior Varsity, and 7, 4, 2, respectively of the Frosh and Freshman Heavies.
