**50th Commencement Features Class Day and Alumni Day**

Completing the first speed-up program in its history, the Massachusetts Institute of Technology has scheduled in its 50th commencement activities and a program of special events for members of the Senior Class and distinguished alumni. Simultaneously, the last joint alumni association in an Alumni Day program, addressed since the war, and which was climaxd by the annual banquet at the Hotel St. Regis last night.

Traditional baccalaureate services were held on Sunday evening in Walker Memorial, and on Tuesday afternoon, a reception of the degree ceremonies, in the Union room of the Massachusetts Institute of Technology. The program will be held at 3:30 in the Great Hall of Walker Memorial. A semi-formal dinner dance will be held at 8:15 Saturday night. The dinner dance will be held at 8:15 Saturday night. The dinner dance will be held at 8:15 Saturday night.

The Class of 1943's commencement cycle will be opened by the Rev. Dr. Samuel C. Rhind, president of the Board of Trustees.

The traditional dinner for graduating students held by Chi Sigma, national honorary Civil Engineering Association, was held in the Colonial Restaurant, 111 to the graduating class. The Rev. Dr. Samuel C. Rhind, president of the Board of Trustees, will preside at the dinner.
