NOW FOR COLLEGE MEN—A NEW OFFICERS’ TRAINING PLAN

* New Deferred Service Plan Allows You to Continue Your Education *

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here—an urgent need here—for every college man in America who can qualify for Officer’s Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today’s college students—men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes—aged 18 to 26, inclusive—can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

375 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training, as rapidly as facilities permit. As an Aviation Cadet, you are paid $375 a month, with subsistence, quarters, medical care, uniforms, equipment, traveling expenses.

In 8 months you can win an officer’s commission as a bombardier, navigator or pilot—and be well started on your way to serve America and advance yourself in aviation.

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armament, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

This past year about 80% of all Aviation Cadets were commissioned as Second Lieutenants—about 67% as Flying Officers. Those who do not qualify remain in the Air Forces on an enlisted status and have further opportunities.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from $183 to $245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blow will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now. *
