The conference will include a number of addresses by Professor Robert Calhoun of Yale Divinity School, each of which will be fol- lowed by a discussion group, round- table discus- sions on numerous contemporary problems of personal and social life, which challenge Christian individu- als and groups to study and action, and a well organized recreation program. About 300 students from all colleges in New England, 130 boys and the same number of girls, are expected to attend the camp. The expense is $29.00 for board, lodging, entertainment, and pro- gram fee, and an estimated $6.40 for transportation. However, foreign students are to be given the conference, and will not have to pay the program fee of $8.00.

The Tech team have many good men most notable probably in Warren Spear in the high and one mile. Gene Ashley in the pole vault and broad jump and dash, Gordon Ben-Ben in the quarter, Art Bayard, the quarterback, Harold Knapp in the mile, Bob Pyle in the half-mile, and Ed Pyle in the high jump. Charlie Simpson in the bread jump, and May Peter putting the shot will be other men hard to break.

As last year the Beaver Key track will be held the same date this year before dinner. Contestants in the grueling potato race may remember the resulting gastric commotion as and Oscar said Western night at the annual meeting, "I took a lot of them. Several patients have had a warm up practice on Briggs Field and so should be able to give food competition.
