Spanish Society Makes Professor Honorary Member

Professor Richard R. Koch of the Modern Languages department was made an honorary member of the Spanish Society Club at its annual banquet held last Thursday evening in the Dutch Room of the Graduate House. In a short speech Professor Koch spoke hopefully of pleasant relations between the club and his department.

Lambda Chi Alpha To Buy Five Hundred Dollar Bond

The Lambda Chi Alpha fraternity has just appropriated five hundred dollars for the purchase of government bonds reported at the Institute. The bond will be purchased immediately with money from existing funds.

T.C.A. Prepares List Of New Men

As in former years, the T.C.A. is preparing a complete list of all incoming freshmen and transfers to aid fraternities in choosing their rushees. They will be prepared for the first time this year during the May meeting of the Q-Club. It is anticipated that the list will include such particulars as names, addresses, preparatory schools attended, grades, and these should be returned as early as possible. This should not delay any member to receive degrees asking for information regarding attendance, and these should be returned as soon as possible. I. F. C. Decides To Meet Weekly During Summer

$5.00 Membership Fee To Be Charged; Also Discuss Rush Week

At their regular meeting held last night, the Interfraternity Council decided to hold meetings once a month throughout the summer. It was first suggested that these meetings be entirely for business without dinner, but it was finally decided to have them at the most convenient time for the houses and to have the executive committee decide whether or not dinners would be served.
