Five Tech Men To Compete In I.C.4-A Meet

Tracksters: Wareham, Meny, Hall, Stewart, Miller to Make Trip

For the final time this season, the Tech tracksters will make their way to New York City for the indoor championship meet to be held on the 29th and 30th of the month, at the Fred Feiler Stadium in New York City. According to press reports, the contestants will be: Bob Wareham in the 220 and 100, Captain Dick Hall in the 880, Bob Miller in the high and low hurdles, Captain Larry Meny in the 220 and 100, and first-year manager Daniel Pritchett. The whole idea of the thing is pure enjoyment, to row for the fun of it.

In general on Mondays the boys will get together and choose up teams. The teams will decide what they wish to practice and how much they want to row. Occasionally, perhaps once a week, races between the boats will be run, a mile or the heavy distance of thePalindrome. No weight cliques will be allowed, probably no weight requirements will exist, and all the equipment will be available. This non-compulsory rowing will enable crew men to keep in condition, but the idea is to row for the fun of it.

The annual crew banquet was held last Wednesday, May 20, at the Polytechnic Hall of Memorial. The guest speakers included Mr. George McMillan and Patrick Manning. Because the Class of 1943 will graduate next February, not allowing those Seniors who are on the teams. The teams will decide what they want to row. —whatever your role may be in the war program, physical fitness is an essential! That means a diet that includes a plentiful daily supply of milk...at least one pint every day. Whiting Milk Company is proud indeed to be serving this Technology. This fine, old established firm, which has been in the milk business for many years, is now accepting your order. If you would like to order, please fill out the coupon below and mail it to your nearest Whiting Milk Company.

The activities during the summer will depend on what the fellows want to do, but Oscar has in mind several handicaps to meet, relays, and pentathlons in which the entrant must compete in five events.

Oscar has not had a chance to fabricate the results of the questionnaire which was circulated at the track banquet, or to draw up definite plans, but we are certain that with Oscar Hedlund and Bob Bowie out there, there will never be a dull moment.
